Bio-X® Kleanze

Consumer Series

“Multi-Functional Disinfectant & Insect Repellent”

The all new Bio-X® Kleanze is an effective disinfectant that is suitable for home use. It **kills more than 99.9% of bacteria and viruses**, and it is a **deodoriser, insect repellent** with **anti-fungal** properties. The water-based solution is formulated using botanical extracts, and is **non-poisonous, free from DEET, chlorine and alcohol**.

For personal hygiene use: such as hand sanitizer
For general disinfection use: on floors, furniture, hard and soft surface etc.

**0% VOC
CONTENT**

Bio-X® Kleanze Aerosol

(300ml)

Non-Flammable Aerosol

"In Harmony With Nature"

Volatile Organic Compounds (VOC) refers to a group of gaseous compound that has its own toxicity and potential for causing different health effects.

Bio-X® Kleanze VOC Free Aerosol is a safe and effective formulation to **disinfect** and to **eliminate insect pests WITHOUT the presence of VOC.**

Kleanze MINI

(50ml)

For personal hygiene
use as hand sanitizer

For general disinfection
use: spray directly on
all surfaces

Step-by-step user guide instructions to refill the vacuum bottle:

1. Pour the concentrated solution from the 200ml bottle of Bio-X Kleanze+
2. Fill up accordingly to the guideline indication shown on the bottle.
3. Top up the bottle to the maximum level with water. Give it a shake and the solution is ready for usage.

4. During usage, the vacuum disc at the bottom will rise up as and when the solution is being pumped out.
5. When the disc reaches the top of the bottle, this means you can start your next refill.
6. To start your next refill, simply use a stick to gently push the disc down to the bottom.
